ORDER:

In the GOs 1st to 4th read above, Government have issued Revised Common Building Rules for all Municipalities/ Municipal Corporations and Urban Development Authorities in the State.

2. The Commissioner, Greater Hyderabad Municipal Corporation, Hyderabad in his letter 5th read above has stated that as per rule 20 (c) of the Hyderabad Revised Building Rules, 2006 issued in G.O.Ms.No.86 MA dt: 03.03.2006 individual residential buildings proposed in plots up to 300 meters of plot area and height up to 6.0 meters are exempted from Mortgage Clause. The applicants in the category of plot area 100 Sq. meters to 300 Sq. meters though eligible for 10 meters height are obtaining permissions up to 6.0 meters height to avoid the mortgage clause and constructing additional floors Unauthorizedly. Thus the exemption given to the plots less than 300 sq. meters area and 6.0 meters height is being misused and leading to gross violation in most of buildings thereby the purpose of exempting them from the mortgage clause is defeated. Further GHMC has noticed that nearly 70% to 90% of the buildings in the city are coming up on the plots ranging from 100 sq. meters to 300 sq. meters and less than 10% building applications are being received in the plot of less than 100 sq. meters. Unless constructions that are coming up on the plots of 100 sq. meters to 300 sq. meters are brought under the purview of mortgage clause, it would be very difficult to prevent the unauthorized floors.

3. The Commissioner, Greater Hyderabad Municipal Corporation, Hyderabad has therefore requested the Government to amend the rule 20 (c) of the Hyderabad Revised Building Rules, 2006 by insisting the mortgage of 10% of built up area for the buildings proposed on the plot area of 150 sq. meters and above.

4. The Director of Town & Country Planning, A.P. Hyderabad in his letter 6th read above has stated that, as per Rule 20 (c) of the Hyderabad Revised Building Rules, 2006 individual Residential Buildings in plots up to 300 Sq. meters with height upto 6 meters and Industrial Buildings and as per rule 21(e) of A.P Municipalities Development Control Rules, 2008 individual Residential Buildings proposed in plots up to 500 Sq meters of plot area and height up to 7 meters and industrial buildings are exempted from mortgage clause. The applicants in the category of plot area of 100 sq meters to 500 sq meters though eligible for 10 meters of height are obtaining permission up to 7 meters height to avoid the mortgage clause and constructing additional floors Unauthorizedly thus the exemption given to the plots is being misused and leading to gross violation in most of the buildings thereby the purpose of exempting them from the mortgage clause is defeated and unless the construction that are coming up on the plots of 100 sq meters to 500 sq meters area brought under the purview of mortgage clause it would be very difficult to prevent unauthorized floors.

5. The Director of Town & Country Planning, A.P. Hyderabad has therefore requested the Government to amend the rules suitably by insisting the mortgage of 10% of built up area for the building proposed on the plot area of 100 Sq meters.

6. Government after careful examination of the matter decided to accept the above recommendations made by Commissioner, Greater Hyderabad Municipal Corporation, Hyderabad and Director of Town & Country Planning, A.P. Hyderabad with a view to minimize the violations in buildings.

Accordingly the following notification will be published in an Extraordinary issue of the Andhra Pradesh Gazette, dated:13.10.2010.
